

HUSKY RACK & WIRE™

COMPLETE BOLTED WIRE ENCLOSURE - 4 SIDES - WITH CEILING

WAREHOUSE EQUIPMENT

- 4 Sides
- With Ceiling
- Overall WxDxH: 20x15x8'
- Material: 10-Gauge Diamond Wire

DESCRIPTION:

HUSKY Complete Wire Enclosures are handy as a tool room, for valuable parts storage, hazardous, or delicate machinery enclosures, etc. Tough 10-gauge, 1-1/2" diamond wire construction with steel channel frame. Each room has 5' sliding door with cylinder lock. All parts and hardware are included for complete assembly. 3" sweep space under all panels and doors. Easy bolt assembly and disassembly for quick relocation. Each order includes: basic bolt-together hardware, floor shoes. Durable gray enamel finish.
